Nature's Creation® CedarRepel Insect Repellent is a pleasant smelling, easy-to-use Cedar Oil solution that safely repels Mosquitoes, Flies, Fleas, Ants, Chiggers, Scorpions and other pests in and around outdoor areas including Lawns, Gardens, Patios, Kennels and Stables. **Nature's Creation® CedarRepel Insect Repellent** is non-toxic and is safe for use around children, pets and beneficial insects. It repels existing populations as well as aids in eliminating future generations of nuisance pests.

Easy Application: Shake Well. Attach bottle to garden hose. Follow instructions on the sprayer top to turn on and off. Hold bottle level and spray directly on desired area. Spray over lawns, under wood decks and around patios/foundations. Spray evenly over the area to be treated to the point of runoff. Covers up to 4,000 square feet.
